The Henley Show Fleece Entry Form

Saturday September 12th 2026

This is the 15th year of running this competition. The public need to be educated about British wool, and we want to facilitate fleece sales to local hand spinners and feltmakers. The fleece will be judged by the top Wool Marketing Board grader and a hand-spinning specialist. This is a friendly competition and therefore suitable for beginners and experts alike.

We are aiming for three classes focusing on Fleece quality. 1) White 2) Coloured 3) Longwool

The Berkshire Guild of Spinners, Weavers and Dyers will be demonstrating, and there will be a display of yarns and products. If you produce things from your sheep's fleece and would like to sell it, please let us know in advance so that we can ensure table space. We take a 10% commission and can manage the sales for you if required.
